

Bright Child Learning Center

Our Vision

... is to inspire generations of children to become happy and empowered global citizens who nurture and respect themselves, society and the environment, creating a safer and more-fulfilled world. We truly believe in this vision and work passionately to achieve it each day with each child.

Our Purpose

Bright Child serves as a trusted partner for families by offering exceptional educational experiences for children ages 6 weeks to 6 years. We foster independence, diversity, and respect by creating a safe, nurturing and visually pleasing learning environment, focused on engaging & imaginative child-led activities.

Our Mission

... is to deliver a unique and exceptional learning experience by offering a dynamic combination of:

- Child-led, hands-on, independent & interactive activities
- Environmentally sustainable and aesthetically pleasing facilities
- Teaching curriculum guided for both academic AND emotional/ social development
- Philosophy fostering respect for: self, friends, family and nature

AMERICAN MONTESSORI SOCIETY
education that transforms lives

Exceptional Montessori Education

By delivering excellence in a Montessori curriculum, we uniquely prepare your child for kindergarten and beyond, while fostering a lifelong love of learning. As a member of the American Montessori Society, we maintain the highest of standards in the Montessori pedagogy, with our programming designed to exceed state licensing requirements and the Wisconsin Model Early Learning Standards. Bright Child surrounds your child with the best teachers and facilities, within a philosophy all aimed at nurturing and educating your child.

Recognized as a 5-STAR provider by YoungStar, Wisconsin's child care quality rating organization; the highest rating available.

A Safe, Purposeful Environment

All classrooms have been designed specifically for your child.

- Secured entrance
- Fire safety and integrated sprinkler systems
- Closed circuit video monitoring of classrooms and facility
